

**NORTHWEST
TRANSLATIONS**

A GLOBAL LEADER IN DOCUMENT TRANSLATIONS

Since 1993, Northwest Translations has been a global leader in providing exceptional high quality document translations with emphasis in the MEDICAL/LIFE SCIENCES, ENGINEERING, LEGAL, MARKETING/ADVERTISING AND PETROLEUM/MINING disciplines. Globally, we have native language, field-specific linguists who exceed all of the stringent requirements of the ISO 17000 Standard.

Our strength is in technical document translation services in over 100 languages ensuring that your message is as clear and accurate in the target language as it is in the source language.

Industries served

Engineering

Medical Devices/Life Sciences

Marketing/Advertising

Legal

Mining/Petroleum

Why choose Northwest Translations?

- Our technical translators understand your industry and are in-country, native speakers
- Full multilingual video production including voiceovers and subtitling
- FAST turnaround - no rush charges
- AutoCAD and GUI specialists
- Efficient translation of technical manuals and translation memory management
- Exceptional client customer service
- Multilingual website development
- Multilingual desktop publishing

INDUSTRIES SERVED - Engineering

Our Engineering Division is solely focused on engineering projects. Our staff are all native speakers with an engineering background. We are experts in technical terminology as well as GUI and AutoCAD in over 100+ languages. We have a lot of special services that may help you.

- Reusing all of your own previously translated materials to bring down your costs
- ISO 17100 Certified
- GUI Experts and software trained – working on character spacing before each project
- Keep your glossary updated
- Full manual, sales materials and website formatting at no extra cost (Except for AutoCAD drawings)
- No extra charge for rush service

Typical documents we translate include

- Bill of Materials
- Engineering specifications
- MSDS & Data Sheets
- Presentations
- Training materials
- CAD drawings
- Installation Manuals
- Multimedia - audio & visual
- RFP Responses
- Technical proposals
- Catalogs
- Labels
- Operating Manuals
- Safety Manuals
- User Guides
- E-Learning
- Marketing Materials
- Patents
- Software and Hardware UI
- Websites

Medical Device/Life Sciences Translation

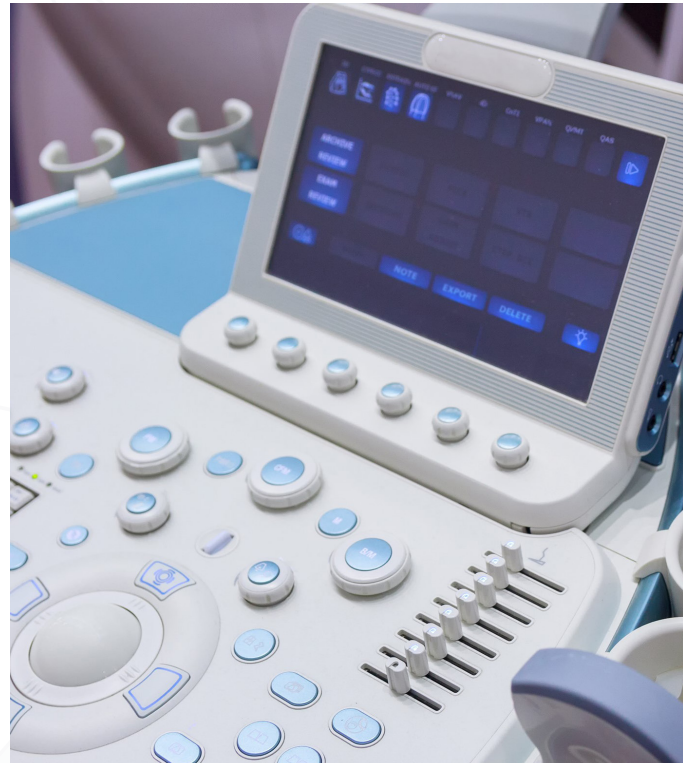

As native speakers of the target language, with extensive experience in the highly specialized medical device and life science field, Northwest Translations' linguists exceed the requirements of ISO 17100. We also take data security very seriously and we are SOC 2 Data Security Certified.
